Red Ball

AGES 4-7YRS

The tennis journey starts with the red level. Red balls can be made of foam or felt, larger, bounce lower and travel slower than the standard yellow ball making it easier to learn and acquire skills.

Orange Ball

AGES 8-10YRS

Orange balls travel through the air a little faster and farther than the red ball, but are the same size and still bounce lower than a yellow ball.

Green Ball

AGES 11+YRS

Green and yellow balls have a slightly reduced bounce compared to the yellow ball making the transition to a full size 78' court much easier

Yellow Ball
