I have been informed and understand that the summer tennis program held at Johnson Ranch Sports Club, (JRSC), that my child wishes to participate in involves physical activity which can result in injury. I understand these risks and knowingly assume the responsibility in connection with my child's participation in the program. I will indemnify and hold harmless JRSC, the program, and its independent contractors from any injury, loss, or liability arising out of my child's participation in the program. If injury should befall my child, I hereby authorize the program staff to attend to my child's needs and give them full discretion in the course of action to be taken.

Signed: _____

DEPARTMENT DIRECTORS NOTE

Welcome to the JRSC Tennis program. This is my 32nd year at the club and I'm excited for this year's tennis experience. I've had a great career, spending lots of time with my 3 kids as they grew up on the courts. I've been able to use my previous experience as a teacher and Physics instructor to guide them through D1 collegiate tennis and beyond. Today I try to afford other players the same opportunity to succeed. YOUR kid is OUR kid. We care! We look forward to helping your player develop skills and a passion for the game. See you on the courts.

PHILOSOPHY

The most successful players are often well-rounded, optimistic, bright, happy individuals with a passion for the game. Teaching important life skills through sport is essential for developing such people and thus producing great players and accomplished members of society. Our goal is to create an environment of competitive success while having fun.
