Program Description

The Spare Time Junior Tennis Academy is a year-round program designed for the serious tennis player to achieve their tennis potential by providing consistent training on a daily basis. Academy training sessions are Monday-Friday at 2 Spare Time Club locations and run all year long. Spare Time Sports Club members on the Monthly Unlimited Academy plan can also take advantage of the Spare Time Indoor Tennis Center when other programs cannot run due to rain or inclement weather. The monthly Academy fees are set to encourage consistent year-round participation. The program is very family friendly with discounts for multi-player family members in the program.

Players must try-out for Academy and if accepted by the site Academy Director, return the registration package and deposit before the Player is an official Academy member. Delay in returning the registration and securing a club membership will result in paying the daily non-member rate.
